# the liquor Fest

**THE LIQUOR STORE WAS CREATED WAY BACK IN 2012 FROM A DERELICT CONCRETE SHELL AND EVERY YEAR SINCE THEN THE INCREDIBLY SKILLED TEAM, LED BY THE INFAMOUS 'BIGGSY', HAVE INVENTED 25 AMAZING, BESPOKE COCKTAILS TO FILL THE PAGES OF OUR NOW LEGENDARY DRINKS MENUS.**

Sticking with our music theme, this year's menu is hitting up the Festivals! The different sections of the menu feature cocktails that would be perfect for that particular event and they are all named after unbelievable tracks performed at the weekender! You can even scan the QR code on the inside back page of the menu and watch the historic performance on Youtube!

So, check out the Manchester ingredients at Parklife, the English country flavours at Glastonbury, the sunshine from Coachella or the down & dirty booze from Download. Of course, you can just visit the Legends stage and enjoy some of our biggest hits from the last menu!
