Amazing BAR MAN, amazing people, amazing music and experience!
Jul 2023 • Friends

Honestly me and my friends came here for the first time after a nice meal and this place was incredible. I firstly must say that the guy who ran the place with long brunette hair tied back was absolutely phenomenal. Amazing at his job, with great customer service and we will definitely return. He even let us get a photo with the MICHELLIN man and then the guests next to us bought it, for us to have some. Honestly this place is incredible, with great music and vibes and we will definitely return!
Thankyou

Top staff, great drink selection and quality music. Can't ask for more from a venue. I try and call in at least twice a week with my girlfriend for a couple of drinks and just to see who's hanging about. Huge industry presence here so your bound to bump into either someone you work with or your hospo mates.

10 Stars if we could give them. What an absolute Gem of a place - a group of 8 us around 40 years old having been told that we are too large a group to let in at other bars that evening, despite the fact we would be no trouble, were about to go home but we had reserved a table here. So glad we did, the minute we walked in the staff were nothing but accommodating, had food ready for us (which I'd forgotten we'd ordered!) played some brilliant music - The Smiths, some Green Day, Oasis, U2, great beer, great food, great service they could not do enough. Wish we'd spent our whole evening there. We had such a great couple of hours we wanted to tip them, unlike many places that expect it these days. Top top end to a weekend in Manchester and would be back here when next up in a heartbeat.
